COMING NEXT MONTH IN

WALT DISNEY'S COMICS PENNY PINCHER

Gladstone's Walt Disney's Comics and Stories Penny Pincher series is dedicated to bringing you the most number of comic book pages possible for under a dollar! Every 20-page issue will contain at least 17 pages of comic material; most will contain 18; and some will even feature 19 pages! Pictured at right is a preview from the next issue. Though pictured here in black and white, this page will run in full color (and full size) in the interior of next month's issue!

When Gladstone began publishing *Walt Disney's Comics and Stories* in 1987, fans were delighted to see, for the first time in the U.S., the ten pagers of the talented European team of Fred Milton and Daan Jippes. The next three issues of the *Penny Pincher* will re-print a selection of their best work from those early days, beginning next issue with "Success Test" from *WDC&S* 512, the first page of which is shown here. Also featured will be some of William Van Horn's early work.
